LONDON ON YOUR DOORSTEP

Kidbrooke Village may feel like the countryside but it is definitely part of London as well. Approximately ten miles from the West End and six miles from Canary Wharf, it has a best of all worlds position. It is also part of the Royal Borough of Greenwich, one of only four Royal Boroughs and which has one of London's four UNESCO World Heritage Sites, a Royal Park and a university, and is of course home of the Prime Meridian.

- Zone 3 location, means that some of London's most important business districts and mainline stations can all be reached within half an hour.
- Only 12 minutes* away by car is the O2 Icon, one of London's best all-under-one-roof destinations for shopping, dining and nightlife.
- Major road links nearby make it easy to reach the M25, Heathrow and Gatwick Airports.

THE DEVELOPMENT

Kidbrooke Village stands out for 86 acres of green space - the equivalent of 45 football pitches - including stunning Cator Park, wetlands and wildflower meadows and an innovative children's playground.

Residents can lead an active, outdoor lifestyle, with opportunities for walking, running, playing sport or just relaxing in a peaceful natural environment.

Berkeley is working in partnership with London Wildlife Trust to continually

encourage biodiversity. Plans to increase planting year on year in order to bring in more aquatic life and beneficial insects such as bees are already underway.

Kidbrooke Village is one of London's most significant new housing-led developments, where £1 billion of investment is transforming the area into a green and desirable place to live, in partnership with the Royal Borough of Greenwich and the Mayor of London.
