THE VISION

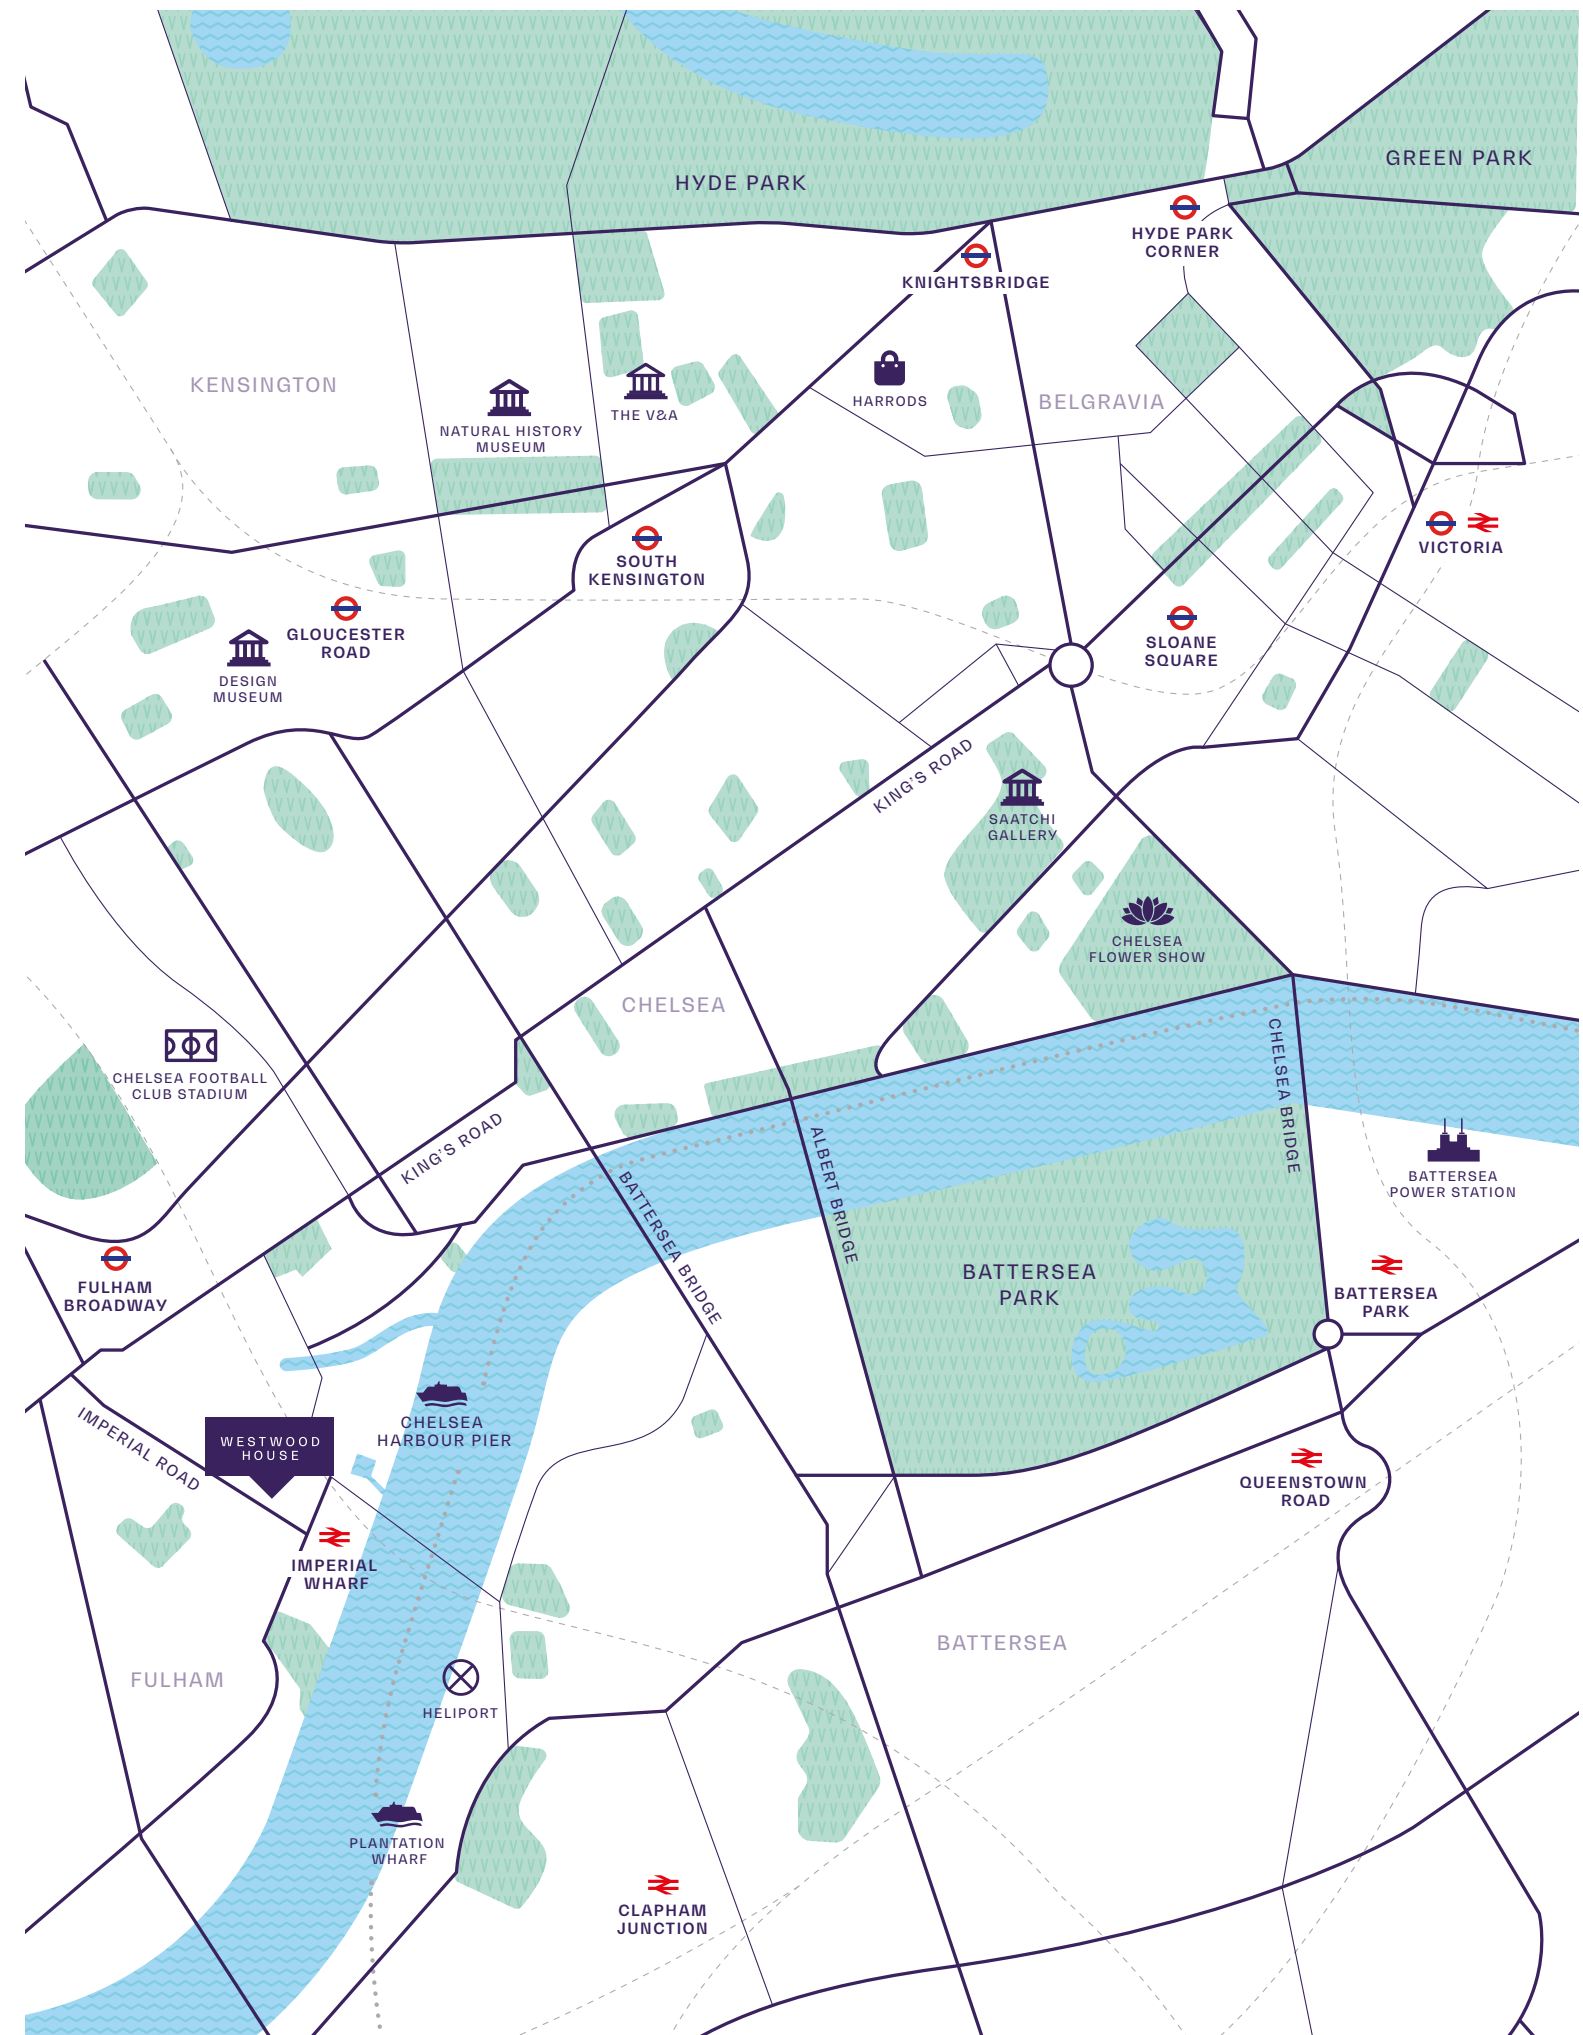

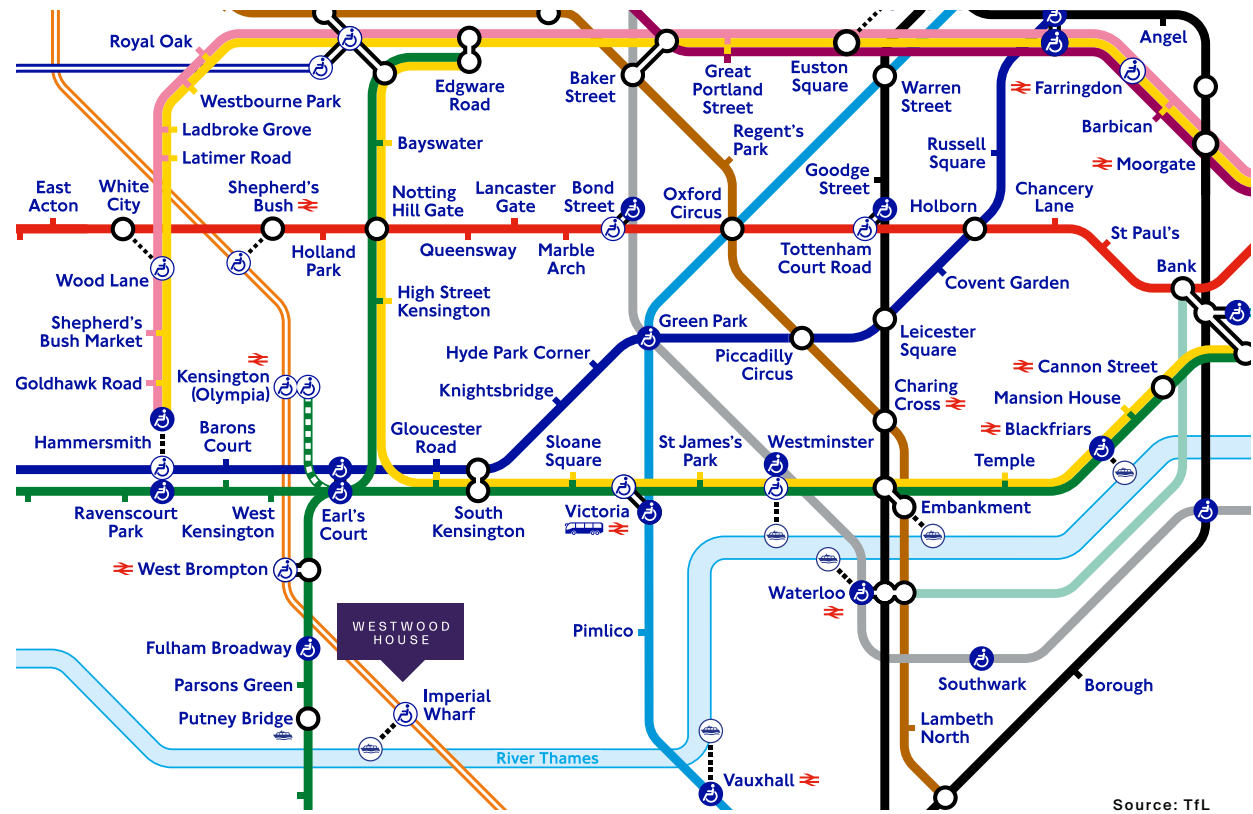

Chelsea Creek brings a characteristically European style of waterside living to Central London. Award-winning architectural practice Squire and Partners looked to the waterways of Amsterdam and Copenhagen for inspiration.

A serene waterside setting linking the River Thames from Imperial Wharf through to the neighbouring King's Road Park – a development by St William, a part of the Berkeley Group.

KITCHEN

Elegant green and light grey cabinetry created in a shaker-style neatly surrounds the high-specification integrated appliances whilst composite worktops and frosted-glass backsplash combine to provide a stylish yet functional kitchen space.

Interior photography of the showhome bathroom. Lifestyle images are indicative only.

BATHROOM

Dramatic deep blue wall tiles contrasted with white hexagonal floor tiles bring an ambience to this sultry and sleek bathroom. Finished with feature wall lights and stylish brass fittings, this creates a contemporary, soft and soothing atmosphere.

THE SAVOY COLLECTION

CLASSIC-CONTEMPORARY AND SUBTLY CONFIDENT

KITCHEN

Bronze and light grey modern shaker-style doors accentuated sympathetically with bronzed ironmongery combine with light composite stone worktops to provide a warm and chic aesthetic.

BATHROOM

3D-textured wall tiles sit naturally amongst brass accents and art deco style wall lights. The marble-effect porcelain tiles juxtaposed against black hexagonal floor tiles exude elegance and sophistication providing a serene and calming atmosphere.

WHAT IS MYHOME PLUS?

MyHome Plus is a new online service that is designed to help you manage key aspects of your new home at any time from anywhere around the world.

BUYING PROCESS

This section provides you with a step-by-step guide to the buying process from reservation through to completion, moving in and warranty. At each milestone, the buying process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately and at your convenience.

2. MEET THE TEAM

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further detail on this.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.

NEXT STEPS

1. Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access.
2. Customer Service will then be in touch to invite you into our Show Apartment to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Service will need to receive your choices selection by the deadline date, which will be given in advance.

DESIGNED FOR LIFE

At St George, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

GREEN LIVING

For St George, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

QUALITY FIRST TO LAST

Quality is the defining characteristic of St George developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

CHOICE AND DIVERSITY

No two St George customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

ST GEORGE

St George PLC is transforming the skyline across London, turning formerly unloved sites into amazing places where people love to live, work and relax. Among our many iconic developments are One Blackfriars, London Dock, Fulham Reach, Grand Union and Sovereign Court.

ONE BLACKFRIARS

ST GEORGE PROJECTS

St George PLC has built an impressive reputation and won awards for regenerating disused parts of the capital and transforming them into vibrant communities in attractive landscaped grounds, offering on-site facilities such as fitness suites, business centres, concierge service, shops, cafés and restaurants. St George PLC specialises in quality mixed-use regeneration schemes participating in the government's 'Constructing Excellence' agenda, and was the first residential developer to be granted 'The Queen's Award for Enterprise: Sustainable Development'.
